## Welcome to the International School of London

At the **International School of London**, we are dedicated to providing a nurturing and world-class educational experience for your child. Our Early Childhood program, based on the prestigious Cambridge Assessment International Education curriculum, sets the foundation for a lifelong love of learning.

**The School** has made it's foray into International Education to bring the finest global and diverse learning experience to the students.

**The School** is offering Cambridge Curriculum in the heart of Srinagar city where a child would learn in many ways – building skills, collaborating with peers with diverse learning experiences in a dynamic environment. With the focus on the strategies needed for life-long learning within and beyond the content taught, the curriculum is a unique blend of both old and new styles, offering students a pathway that prepares them to pursue an advanced international programme, in future. Engaging, enlightening and encouraging to venture into new arenas of learning create new opportunities, in 21<sup>st</sup> century. Today's education aims to prepare the students to achieve success in the global environment. Today, the well-honed, curious and independent young learners are ready to go out and make a difference.

The Cambridge Assessment International Education curriculum is globally recognized for its academic rigor and emphasis on critical thinking and problem-solving skills. Our Early Childhood program introduces students to this exceptional curriculum, setting them on a path to academic excellence.

## Age Criteria

For admission to our Early Childhood program:

- |  |                 |                             |
